Dermatology Associates now offers their patients a secure and confidential web-based patient portal where you will be able to:

- View date and time of upcoming appointments
- Receive health maintenance reminders
- View current and past statements
- Review and request medication refills
- View your personal health record
- Manage your personal information

The patient portal is available to all our adult patients (age 18 or older) so you can manage your own health care record.

If you would like to create a patient portal account, please fill out the attached form and return it to us at your visit or mail it to:
